A LETTER FROM REV RONA

The end of December and beginning of January have been a difficult time for many, with death rates in this area rising beyond the seasonal norm. Some refer to it, rather glibly, as “funeral season.”

For priests like me, who guide families through their loved ones’ funerals, I’m always reminded of how uniquely precious each individual is. There’s a profound truth in Matthew 10:29-31: *the God who knows when every sparrow falls also knows and loves each one of us*—whether we know Him or not.

So, God knows, and cares that your loved one has died. The Matthew passage also adds the seemingly impossible thought that *God numbers the hairs on our heads*. I used to tell my children this, running my fingers through my hair, and when a strand or two fell out, I’d say, “God knows I’ve just lost those!”

Leading funerals is a privilege because I hear extraordinary stories about seemingly ordinary people—though, of course, they are never ordinary. They are beloved family members and friends. Visiting families, I hear touching, and often funny, anecdotes. These stories remind me how profoundly we shape one another’s lives.

This Christmas, I received a book by Simon Boas, *A Beginner’s Guide to Dying*. I commend it to you as an honest and uplifting reflection on facing death. Simon’s epiphany is that we are all unique and precious. He writes that when we say, “I’m fine,” what we’re really saying is, “I’m unique, finely crafted, and an exquisite example of creation.”

That’s what God says about us, as echoed in Psalm 139: “*You are fearfully and wonderfully made,*” and Isaiah 43: “*You are precious.*” Let’s strive to think of others this way—whoever they are and however we meet them.

Thank you to all the families who have shared their beautiful stories with me.

*With love,
Rev. Rona*

Coming Soon!

We are fortunate to live in a place with a wonderful community spirit. However, our Church community is so much more than just the groups who meet to worship on a Wednesday or a Sunday. As vicar, I think we can do so much more.

So, to enhance the local spirit and wellbeing of those who live in our area we are exploring various additional groups and events. We'd love to hear from people who feel they could join the hosting and leading teams. This is for the benefit of all who live in this place, so please do feel able to get in touch with me (revrona@gmail.com), if you would like to join in!

New Baby & Toddler Group – Starting in May!

Join us on **Friday mornings** for our brand-new **Baby & Toddler Group**, a welcoming space for little ones and their caregivers to connect and have fun. We're grateful for the wonderful volunteers who have come forward, but we really need another one or two, so if you'd like to join the fun and get involved, please contact Rev Rona!

"Memory Lane"

A Special Service for Those with Memory Impairment

Starting **Saturday, 19th April at 4 p.m.** (and every third Saturday of the month) in **Church House**. We invite you to join us for **"Memory Lane"** – a gentle gathering of music, singing, short readings, and prayer for those living with Alzheimer's, Dementia, or memory challenges, alongside their loved ones.

Refreshments will be provided.

Lent Course 2025

A Lent group with a difference. We will be using a course called 'The Rest is Worship'. Many of you will have heard of mindfulness or meditation, but I wonder if you knew that they are two different words for a way of quieting the mind which have ancient roots in Christianity and other religions as well? Join us once a week for some quiet time. Lent begins on 5th March (Ash Wednesday). Full details in next month's Magazine.

New Church Electoral Roll 2025

- *Do you live in Milborne Port or Milborne Wick and are you a member of the Church of England?*
- *Or do you attend St John's Church, or Milborne Wick Church, whether or not you live in those villages?*
- *Are you over the age of 16 and have you been baptised?*

Then you are eligible to be on the Church Electoral Roll! This entitles you to attend the Annual Parochial Church Meeting and to take part in decisions which affect the church and parish.

This year, under Church rules, we have to prepare a new Electoral Roll. This means that everyone living in the parish or worshipping regularly in the parish and who wishes to be on the electoral roll will need to complete an application form. As the Annual Parochial Church Meeting (APCM) will be held on 26th April, applications will start on 26th February and must be completed by 11th April. **Please make sure that you get onto the Roll by completing an application form.** These will be available in St John's Church, and there is also a downloadable form on the Benefice website at <https://www.milborneportchurches.org.uk>. Please return your form to me or to the churchwardens.

Graham Sharpless, Electoral Roll Officer, Milborne Port with Milborne Wick

Mark your Special Date with a Gift

Can you help to keep our beautiful church open and ready to welcome visitors each day? We do not receive any money from the Diocese or the government to run the church, we rely entirely on donations.

A special and much-appreciated way to remember a birthday, anniversary or other significant family event is by sponsoring our running costs for that day. We will mention your kind sponsorship in the Pew News for the month that your gift falls in. We ask for a donation of £30 to cover the running costs of the church for that day.

Sponsoring a date really makes a difference and we are very grateful for any support that you can give. Forms for giving are available at the back of church or by email from Helen, our administrator, via milborneportchurch@gmail.com.

Scanning this QR code will take you to our Parish Giving page, from which you can contribute directly – in which case please let Helen know which date you would like to sponsor.

Many thanks for your support!

Nicki and Susan, Churchwardens

Footway resurfacing 24/25 - FW005384: Bauntons Orchard & South View Road

We have recently received the plan/sign schedule for the road closure for this footway scheme and checking the programme dates today, they show as 17th Feb 2025 to 3rd March 2025. Autumn Swift Box Initiative

Would you like to do something positive to support wildlife in your area? Swifts are on the RSPB's Red List of conservation concern. At the Management Meeting last September, Committee members resolved to sell swift boxes at a reduced price to residents who would like to install one (or more!) on their property (subject to Listed Building Consent if appropriate). If you are interested in taking us up on this offer, please contact Simon Pritchard to discuss the options.

The swifts

Materialize at the tip of a long scream

Of needle. 'Look! They're back! Look!' And they're gone

On a steep

Controlled scream of skid

Round the house-end and away under the cherries.

Our MP in Parliament

Notes on some of the issues that our local MP, Sarah Dyke, has engaged with recently. Not a party political pitch, but a record of her actions as our constituency representative.

- SD expressed her appreciation to First Bus after the company confirmed it will be keeping its fares across Somerset under £3
- SD raised concerns in Parliament over the proposed Heart of Wessex devolution deal. There had been concerns that any potential Wessex Devolution deal could be held back and would miss out on a place on the Devolution Priority Programme.
- SD continues to support the Climate and Nature Bill

- SD paid tribute in Parliament to Sydney “John” Maskell, a remarkable 105-year-old veteran from Castle Cary. Mr Maskell has been awarded the Legion d’Honneur Medal by the French Government, which is France’s highest military and civil distinction, in recognition of his outstanding service during the D-Day landings and the Liberation of France in World War Two. **Many in Milborne Port will remember John from his time in the village.** “He dined at the Tuesday Luncheon Club for many years and was very good company” (Christine Porter via Facebook)

Milborne Port Christian Aid Committee

Our committee members are Sui Chung Chan, Margaret Curtis, Felicity John, David Johnson, Anne Salkeld and Clare Silk.

You will be pleased to know that we sent £2,711 to Christian Aid in 2024, an increase of £537 on the previous year. The major sources are the loose cash from St John’s Christmas services donated by the PCC, our Lent Lunches and Harvest Supper and the collection during Christian Aid week. Additionally, from Christian Aid Week, Christian Aid was able to claim £182.50 in gift aid from the slips that many of you were able to complete. Thank you so much for supporting us!

Our programme for 2025 is about to get under way with a series of six Lent Lunches. These will be on Fridays and start on 7 March until 11 April, mainly in Church House, and begin with a very short reflection at 12.30 p.m. Do come and enjoy some delicious, homemade soups, tasty breads and cheese, and a cup of tea or coffee. We hope to see you there!

David Johnson (Treasurer)

We have had a busy start to 2025 and the date for our formal conversion to the Academies for Character and Excellence is now fast approaching (1st March). Joining an academy will enable staff to collaborate with the other 20 schools in the Trust. Our nearest ACE school will be Castle Cary Primary.

The ACE curriculum enables the children to learn through an enquiry-based approach. Enquiries typically last 2-3 weeks and have a subject focus, such as History or Science. Reading and writing are integral to all enquiries and the children work towards producing an outcome linked to a key question such as 'Why was Alfred great?' or 'Why are forces fundamental to our lives?' From Year 2 upwards, the children have individual journals to work in whereas in Reception and Year 1, the teachers will be compiling class journals. Each classroom has a learning enquiry display board so that children can refer to this during their enquiry.

Later this term, we will be completing a whole school enquiry which will culminate in a lunch for members of the Tuesday Luncheon Club (more details coming soon). This will be sponsored by The Clockspire and will enable the children to complete Design and Technology learning whilst raising money for a charity decided upon by the School Council.

Prior to that, all classes will complete an enquiry linked to the theme of traditional tales. This will range from simple retelling of stories such as The Gingerbread Man to twisting traditional tales and writing them from the perspective of other characters.

Milborne Port Village Hall News

Junior Cricket at the Village Hall If there is sufficient demand, junior cricket sessions will take place at the village hall during the Easter school holidays, from 7th to 17th April. Exact times and dates to be confirmed depending on demand. The hall provides the perfect venue to introduce cricket to a new generation as well as honing the skills of those already familiar with this great sport. Weather permitting, we might even get outside!

The emphasis will be on having fun and each session will end with a local variation on the game of kwik cricket. I have coached children in this format before, have taken coaching courses, hold a DBS certificate and am passionate about the game. I am hoping that with the help of MPCC we can develop youth cricket and start feeding the club (and maybe county?) with the players of the future. If you think your child or children might be interested in this or have any questions, please let Chris Sheeran know via manager@milborneportvillagehall.org.uk or 07946 333542. If there is sufficient interest, then I just can't wait to get started!

Toomer Tree Services The Village Hall was thrilled to receive a £320 donation from Daniel and Lisa from Toomer Tree Services, following their Charity Christmas Tree Disposal Scheme at the Village Hall Car Park. This is an amazing figure and we cannot thank them enough for their time and effort on a cold Saturday, and also for the many villagers who carried, pulled, dragged or somehow just got their tree to the car park. These funds will kick start the effort to get the ladies' toilets updated. So thank you Daniel and Lisa, it is truly appreciated.

For hiring the hall, please check our website for availability: www.milborneportvillagehall.org.uk. Thanks Chris Sheeran, Village Hall Manager; manager@milborneportvillagehall.org.uk 07946 333542, or find us on Facebook

ReBorne Community Church

Experiencing God's Grace
Proclaiming God's love
Demonstrating God's fellowship

I'm sure many have visited our website to watch eagerly the progress of the refurbishment of ReBorne Church. Hopefully by the time you read this the work, which started in 2023, will have been completed, and many of you are now enjoying the much improved and enlarged facilities.

The history of the building on this site goes back to 1840. Built originally as a barn for Lord of the Manor, and acquired in 1880 by Silas Dyke, nationally famous glove manufacturer, it then became the Milborne Port Country Club and was used in the 1960s as the village dance hall - with a skittle alley, which has been kept and is still in working order. In the mid 1990's the building was acquired by Milborne Port Christian Fellowship and then renamed Steps Community Church and in 2019, Steps merged with Sherborne Community Church to become ReBorne Community Church.

So why the transformation? We believed that we needed a modern church building so that ReBorne is more able to reach out, helping us to meet the needs of the whole community. The project was to revitalise our existing building, making it fit for purpose, both now and into the future, enlarging and improving the original structure of the building. We wanted easy accessibility for all, enabling us to effectively provide additional children and youth services, a Coffee House, a small conference facility and space for a breadth of community connectivity. Whilst funding is still coming in, we are aware that we will need to seek additional funding to fully equip the facilities.

We are delighted to be back home and hopefully the ongoing ReBorne programmes, which have continued off-site throughout this period, will now continue with greater effect and be able to expand. However, please note we will post when the evening Youth Club is relaunching and recommencing.

In closing, the Bible tells us in Psalm 127 verse 1, "Unless the Lord builds the house the builders labour in vain". We believe the Lord has indeed blessed the work of ReBorne Community Church here in Milborne Port and pray he will continue to bless us in the years to come as we use this building to proclaim God's love, demonstrate God's fellowship, so that all the whole Community can experience God's Grace,

ReBorne looks forward to welcoming everyone in the coming weeks and months. We invite you all to visit us on our Open Days where we will be serving refreshments. **These days will be Friday February 28th 8.30-4.30 p.m., and Saturday March 1st 10-3 p.m.** We look forward to seeing you.

starring Cillian Murphy, Emily
Watson

Small Things Like These takes place over Christmas in 1985, when devoted father and coal merchant Bill Furlong (Cillian Murphy) discovers startling secrets kept by the convent in his town, along with some shocking truths of his own.

Tickets £5.00, available in advance from Wayne Pullen, Butchers, or on the door.

Tea, coffee, wine and beer available!!!

Future Film Nights

It has been suggested that future film nights might actually become film matinees and take place at an earlier time in the afternoon, when it is lighter and warmer. This is merely a suggestion but if it proves popular enough, we could experiment from next autumn and see how it goes. If you have any thoughts on this, please let Chris know .

Milborne Port Football Club

We all enjoyed our Christmas break, but it's been great to get back to playing again throughout January and there's no let-up in February either. Thank you to all who attended our Christmas Bingo, we raised just over £900, which is enormously valuable to help us cover the costs of running the club. We will have details of our Easter Bingo in next month's update.

This month we'd like to introduce you to our Under 11's youth team. Managed by Lloyd Studley, assisted by Tom Wigley and Chris Darey, the team competes in the Yeovil & District Mini League. This team is well known for their passing game and unselfish play. They are a real credit to the club and youth football and are well worth a watch if you happen to be at the Rec on a Saturday morning. They can often be found on the bottom pitch with great support.

Stonechats

Usually resident in the UK all year, the tiny (13cm), rounded Stonechat is definitely one of my favourite small birds. The best place to see them is along the River Gasgoigne which runs through the village. These pretty little birds often perch on fence posts or small bushes from where they fly down to catch insects, spiders, snails and worms.

The male Stonechat has a black/brown head, a distinct white side collar and an orange/red breast, whilst the female has a brown head, less distinct collar and a pale orange breast. Males and females tend to remain in pairs even outside the breeding season.

Stonechats are usually heard before they are seen; their rather harsh 'song' sounds like 2 stones being hit together (hence their name). Unlike most small birds they seem less wary of people, so will linger on their perching site flicking their tail as you approach them, then fly a little way forward allowing you to catch up again. This is ideal for bird photographers like myself! The photo of a female was taken by the river on a frosty January morning.

Blackmore Vale U3A needs new committee members

Our AGM takes place on Tuesday 4th March at 2.45 p.m. when it is hoped to gain new committee members. A snapshot of this U3a shows a healthy membership and online balance sheet, streamlined administration, well supported groups and the open meetings attracting 35-55 people. It would be very sad to lose such a friendly, successful local organization. So if you can help save Blackmore Vale u3a please contact me Susan Kidd at skiddsbvu3a@gmail.com. Details of the March talk, on the same afternoon, in next month's magazine.

Milborne Port Gardening Club

Trusting that your 2025 has started well. Even though we have had some snow, high winds and cold recently, hopefully your gardens have not suffered too much.

Along with a few of our neighbours and others in the village, it's been a time for some TLC for our trees and we've had a few that were given a bit more than a 'trim'! All crossed that we get to keep and enjoy our well established and aging trees going that bit longer.

We started the year for our members and many visitors with a wonderful evening, and there have been many positive comments post this gathering. We had many smiling people along with very handsome and patient Owls. Hopefully, you were able to attend in January and be part of the interactive evening with Ann Reed and her feathered friends.

We appreciate that a few of our next meetings might be a little out of sync, so please note the dates as they appear in this magazine and the Club emails. Next meeting will be 7.30 p.m. on Tuesday 18th February, at the Village Hall. The talk is "Gardening in Climate Change" and will be presented by a member of the Castle Gardens team. We all know that the climate isn't what it used to be and some helpful hints to possibly handle the unpredictable forces of nature could be what we need to encourage us to keep working at our gardens.

Should you wish to know more about the Club, or join us in 2025, please do come to any meeting or contact the Secretary (Samantha at samgraham2009@gmail.com). We happily welcome guests to our meetings for a fee £4.00 from January 2025.

Friends of Milborne Port Library

We are looking for a new Home Library Service volunteer.

Home library service volunteers work with the local libraries to choose, deliver and collect books, audio books and DVDs to people who are housebound or those that cannot access the library due to impaired mobility, long term illness, disability, transport difficulties or caring commitments. This will also help to combat loneliness and signpost to extra help if required. It would be approximately an hour once a month.

If you can help please contact the volunteer team on **01823 359200** volunteer@somerset.gov.uk

Our January afternoon meeting fell during the freezing cold and icy week, so we weren't surprised that not all members attended. However, the dozen of us who did, plus two visitors, were given a talk by Margaret Capon, who is a Hypnotherapist and practices at London Road Clinic. After her initial talk about her work, we had a welcome warm drink, then we were invited to be 'put in a trance' while Margaret talked us through going on an imaginary walk through a forest and on a beach. It was very relaxing and one of our members found it so restful that she fell asleep and I had to wake her up afterwards!

We have decided to have afternoon meetings during the winter and will revert to evenings in the spring and summer. I hope this will encourage people to join us who perhaps don't like going out in the evening during the winter months. However, in February we will be having our annual lunch for members only - this time we will be going out to celebrate.

In the meantime, please remember that we open for coffees/teas (and usually cake) on Friday mornings from 10.30 a.m. - All welcome.

Christine Porter

Milborne Port History & Heritage Group

In January, our first talk of 2025 – A Tale of Four Houses – celebrated some of the most interesting Milborne Port properties. Four speakers provided a whistle-stop tour through the hidden histories of Bazzleways, Manor Farm House, 216-217 High Street and 62 + 63 South Street to a packed house of history lovers.

Our next talk – Death and Service - is on **Monday 17th February** and will be given by Richard Cooper-Knight. Richard will be uncovering the lives of those who served in the First World War and are buried in and around Milborne Port, commemorating those who gave their all more than a century ago. Richard will have his books on sale on the night. Do join us at 7.30 p.m. at Church House. We are a charity and ask for a suggested donation of £2 per member or £5 per non-member to cover costs

Milborne Port Primary School Museum Visit

We were delighted to host our second visit from Louise Hann's Reception class on 16th January. The children were learning about what 'in the past' means – quite a tricky concept for four- and five-year-olds to grasp! They particularly enjoyed playing with the toy cars, ringing the Town Crier's bell, writing on slate with chalk, trying on a naval commander's hat and some rather snazzy kid leather ladies' gloves! They were all beautifully behaved and a credit to their teacher and helpers.

Don't forget to keep Saturday 10th May 2025 free for our VE Commemoration Day!

With this commemoration in mind, Lesley Wray is leading us through the months leading up to VE Day by telling us what was happening internationally, nationally and locally. Lesley's full articles can be found at <http://milborneporthistory.org.uk/milborne-port-in-wartime/>. Here is a sample of fascinating Milborne Port war history: *In February 1945 a letter arrived from Lieutenant R. G. Dawson, to his parents at Milborne Port. His regiment had fought its way down through the jungles of Central Burma. He wrote, 'I hope you enjoyed your Christmas. We had quite good one, didn't do much work, and had duck for lunch. Since then we have been working very hard. Censorship regulations have been relaxed so that can give you quite*

lot of information. We had our preliminary bout at Myitkyina, but the Division started off at Hill 60, which is S.W. of Mogaung. Hill 60 was pretty tough, and the infantry had a rotten time in the monsoon, right up to Hopin. We had to keep the roads open, and it was heart-breaking job, I can tell you. A couple of days of sunshine and we would have a stretch of road really good, and then two hours of rain would make the whole thing a morass.... There I must leave it for moves since they are still secret. Tell you about our work next time.'

The February Night Sky

"The real friends of the space voyager are the stars. Their friendly, familiar patterns are constant companions, unchanging, out there." – James Lovell

T Coronae Borealis (T CrB) is a pair of stars: a white dwarf and a red giant. You may have heard about it recently as a recurrent nova – the sudden brightening of a star. Its cycle is every 80 years, so a once in a lifetime experience. The eruption could occur any day soon, but it is running late! The most likely time is mid-2025 or as late as October. It could brighten in just a single day, or even within a few hours. It will stay visible to the naked eye for a few days, then will be viewable with binoculars for about a week before dimming back to its usual brightness. The constellation Corona Borealis looks like a small semicircle near Bootes and Hercules. For those eager to witness this rare phenomenon, the constellation Corona Borealis is well-positioned for observation. Currently, the constellation rises just after sunset and reaches its highest point above the southern horizon—at around 3am. As spring progresses, the best viewing times will occur earlier in the evening.

The Planets

There will be a 'planetary parade' with **Venus, Mars, Jupiter, Saturn, Neptune** and **Uranus** all being visible at the same time in the evening sky. They will be visible in the days leading up to the 21st of January, and for about four weeks afterwards until the last week or so of February. Mars, Venus, Jupiter and Saturn should be visible to the naked eye. The best time to view the planetary parade will be just after sunset. You still might be able to catch **Venus, Saturn** and **Neptune** on the horizon after that – but doubtful from Milborne Port. All three planets will be beneath the horizon by about 11:30 p.m. After that, **Mars, Jupiter** and **Uranus** will remain visible for a few more hours with Mars finally setting just before sunrise.

1st: Close approach of the Moon and Venus

7th: Venus at highest altitude in evening sky, close approach of the Moon and Jupiter

9th: Close approach of the Moon and Mars

12th: Full Moon - often called the Snow Moon.

20th: Moon at Last Quarter

Sunrise and Sunset

1st: Sunrise 7:44 am Sunset: 5:02 pm

28th: Sunrise 6:54 am Sunset: 5:49 pm *Good viewing! Ganymede*
